Hon. Joseph N. Callaway II
U.S. Bankruptcy Court for the Eastern District of North Carolina
Randy D. Doub United States Bankruptcy Courthouse

Dear Judge Callaway,

I am a foreign-trained attorney with work experience in U.S. financial markets and have completed my LL.M. degree in Banking, Corporate, and Finance Law at Fordham School of Law. I am submitting this application for the clerkship with your chambers. I believe my current experience as a judicial intern to Judge Elizabeth S. Stong at the United States Bankruptcy Court, Eastern District of New York, and my passion for this profession make me a strong candidate for this position.

Through Prof. Susan Block-Lieb's Bankruptcy Law course at Fordham Law, I learned about various chapter filings used for debtors' relief and creditors' rights and became familiar with the United States Bankruptcy Code. Being a former banker and mortgage refinance loan processor, after taking this class, I developed a strong interest in fair distribution of the estate among creditors, as well as helping corporations and individuals seeking debt relief or restructuring. To further improve my Chapter 11 knowledge, I audited a class -Corporate Reorganization in Bankruptcy- taught by Prof. Richard Squire at Fordham Law, while interning full-time at the Bankruptcy Court. In my internship so far, I gained invaluable practical skills through drafting of bench memorandums on motions for stay relief, in rem relief, use of cash collateral, removal to the state court, motions to dismiss, including dismissal for bad faith filing (C-TC factors analysis), object to proofs of claims, convert case chapter 11 to 7, compel rejection or assumption of executory contracts and unexpired leases, and quash subpoena for discovery and examination under Rule 2004, as well as bench memorandums on adversary proceedings, fee applications, case management conferences, loss mitigation status conferences, and plan confirmation hearings.

Last year, during my judicial internship in Justice Margaret A. Chan's chambers in the New York State Supreme Court, Commercial Division, I have gained excellent legal research and writing skills. I assisted in drafting a decision concerning the American Rule, and a substantial amount of my work was incorporated in the final decision. As this opinion plays an important role in shaping the common law in attorneys' fees dispute actions, it was featured and highlighted in the Decisions of Interest column of New York Law Journal.

Having both legal and finance academic background and work experience, I believe I would be a great asset to your chambers. Enclosed please find my resume, school transcripts, writing sample, and recommendation letters. I would be happy to provide any information you may need. Thank you for your time and kind consideration.

Very respectfully,

Yasemin Aslangoren

Class Ranking - The Law School does not calculate class rankings.

Transfer Credit - Transfer credit (ex. TA, TB, etc.) represents work applicable to the current curriculum and must be a minimum of a "C" grade to be accepted. Transfer credit is not included in the weighted grade point average.

Repeating Courses - Only a course with a failed grade may be repeated. Failed required courses must be repeated. Failed elective courses may be repeated, however this is not required. If repeated, the quality points of the new grade will be half in value (ex. F/A would be 2.00 quality points). The original failing grade remains on the transcript.

Dear Judge Callaway:

I am a rising 3L and the Communications Editor of the Kentucky Law Journal at the University of Kentucky J. David Rosenberg College of Law and am highly interested in a clerkship for the 2023-2024 term with your chambers. I attended Appalachian State University from 2016-2020 and plan on taking the North Carolina Bar upon my graduation.

I am deeply committed to ensuring that individuals seek justice, which was the driving force in my decision to attend law school and in choosing my legal internships. During my 1L summer I worked at AEquitas, a D.C. prosecutorial organization that focuses on human trafficking and gender-based violence cases. During the fall of 2021, I served as an extern at the Fayette County Attorney's Office in Lexington, KY, and during my 2L summer I worked at a Personal Injury Law Firm. In all work environments, I gained experience with conducting legal research and drafting legal documents for multiple jurisdictions, both in the civil and criminal realm. I know the field of bankruptcy is not what I have the most experience in, but I know this area of law affects many people and has the opportunity to enact positive legal change. I am hopeful to experience and help cultivate this positive legal change through the lens of a Judicial Clerkship.

I believe my law school and internship experiences could benefit your chambers, and I would be honored to serve in your chambers. My resume, law school transcript, undergraduate transcript, and writing samples are enclosed in my application. My letters of recommendation and references will be from Professor Cortney Lollar, Professor Michael Murray, and Professor Zachary Bray.

Thank you for your time and consideration. I hope to hear from you.

Respectfully,

Rachael Beller

The Honorable Joseph Callaway, II

Dear Judge Callaway:

I am a rising third-year student at the University of the Pacific, McGeorge School of Law. Please accept this letter as an application for a law clerk position in your chambers for the 2023-2024 term.

I am particularly interested in this position because of my current externship within the chambers of Chief Judge Sargis of the United States Bankruptcy Court, Eastern District of California. This externship has been very beneficial in developing my legal research and writing skills, increasing my understanding of state and federal substantive and procedural laws, and culminating my interest in clerking for a judge. In this position, I work very closely with the law clerk, draft tentative rulings and orders, conduct legal research on various issues of state and federal law, and discuss legal strategies with judges and law clerks throughout the Eastern District of California's District Court and Bankruptcy Court. After completing the externship, I will continue to refine my research, writing, and professional skills during my third year at McGeorge by enrolling in various research-based courses, through my positions as a primary comment editor for the University of the Pacific Law Review and Alumni Chair for the Student Bar Association, and by creating a new business plan for Sierra View Management based on current economic forecasts. I am confident my experiences will make me a productive clerk in your chambers.

My GPA and class rank may be lower than anticipated for a judicial clerkship; however, this primarily reflects my first-year grades. As shown by my transcript, I excelled during my second year, showing my ability to learn, adapt, and succeed after facing adversity during my first year. This ability to learn and adapt will be an added strength as a clerk in your chambers.

Enclosed please find a copy of my resume, law school transcript, writing sample, and letters of recommendation. I welcome the opportunity to answer any questions. Thank you for your time and consideration.

Sincerely,

Dakota Councilman

Judge Joseph N. Callaway
U.S. Bankruptcy Court for the Eastern District of North Carolina
150 Reade Circle
Greenville, North Carolina 27858

Dear Judge Cavender:

I am writing to express my interest in a term clerkship with your chambers beginning in Fall 2024. I am currently a third-year student at Wake Forest University School of Law, where I have had the pleasure to serve as the Captain of the National Trial Team, a member of the American Bar Association National Moot Court Team, and a staff editor for the *Wake Forest Law Review*, the *Wake Forest Journal of Business & Intellectual Property*, and the symposium edition of the *Harvard Journal of Law & Policy*.

As an aspiring bankruptcy litigator, I am particularly interested in a clerkship with your chambers due to the wide variety of cases and issues that come before your Court. Further, as a native of the Carolinas, with a strong network of friends and family throughout North Carolina and South Carolina, I hope to begin building connections in the Greenville legal community. With my long-term goal of building a bankruptcy litigation practice, the opportunity to serve as a clerk for the United States Bankruptcy Court for the Eastern District of North Carolina through your chambers would be an invaluable experience.

Enclosed are my resume, transcripts, and a writing sample. The writing sample is a simulated memorandum order and opinion written during my elective Writing for Judicial Chambers course denying a litigant's motion to transfer venue. Also enclosed, please find letters of recommendation from the following individuals:

For questions or further information, contact the Office of the University Registrar at PO Box 7207, Winston-Salem, NC 27109. The Office of the University Registrar issues official transcripts for all Undergraduates and the Graduate, Divinity and Business Schools.

VALUE SYSTEM

From Fall 1975 to Summer 2001, the undergraduate school awarded course credits. Credits may be converted into conventional semester hours by multiplying the assigned credits by 0.9 (i.e., 4 credits= 3.6 semester hours). Students matriculating in the undergraduate schools beginning in Fall 2001 receive semester hours. The Graduate and Divinity Schools award conventional semester hours.

After Fall of 1998, the undergraduate and graduate schools changed to a plus/minus grading scale. At that time, the Graduate School also changed from a 3.00 point scale to a 4.00 point scale. Graduate students who matriculated before Fall 1998 but were still enrolled as of Fall 1998 had all earlier grades converted to the 4.00 point scale.

TRANSFER CREDITS

Transfer credit may be counted toward the graduation requirements, but grades earned in the transfer course are not used in calculating the Wake Forest grade point average. The grades appearing on the Wake Forest transcript are the actual grades earned, but the units shown are only those accepted for transfer by Wake Forest.

Departmental abbreviations are listed in the Bulletins. Some courses transferred from other institutions may have abbreviations not found in the Bulletin.

Repeated courses are flagged I (included in GPA) or E (excluded in GPA). For classes taken and repeated at Wake Forest, only one grade remains in the cumulative grade point average, based on Bulletin regulations.

DEFINITION OF GRADES AND GRADE POINT VALUES

UNDERGRADUATE			GRADUATE			LAW			BUSINESS (Graduate)		
Calculated in grade point average:			Starting with the fall 1997 semester, graduate level courses changed from 300, 400, and 500 level courses to the current 600, 700, and 800 level courses.			COURSE NUMBER SYSTEM: Courses numbered 100-199 are required first-year courses. Courses numbered 200-899 are upper-level required and/or elective courses. Accepted transfer credits may be numbered 900-999, unnumbered and indicated as such, or Wake Forest equivalent courses.			Students who began the program prior to July 2009, are graded on a 9-point grading system. Students admitted after that date are graded on a 4-point grading system.

The Honorable Joseph Callaway II
United States Bankruptcy Court
150 Reade Circle
Greenville, North Carolina 27858

Dear Judge Callaway:

I am writing to apply for a clerkship in your chambers beginning in August 2023.

Before law school, my passion was history. I enjoyed identifying a question, gathering every possible relevant fact, and distilling those facts into an answer. In history, enough facts produce a clear answer. That is what I loved about the subject. It drove me to take as many history classes as I could. Researching history questions challenged and stimulated me. It also made me a better writer.

I went to law school hoping I would find an area of the law that would similarly challenge me, stimulate me, and allow me to find a clear answer. I found commercial law and bankruptcy. Problems in bankruptcy do not tend to have easy answers and the stakes are often high. The answers affect people, businesses, and our society as a whole. But, a bankruptcy court must still find a clear, reasoned answer that practically resolves a problem in light of the governing law.

I am a nerd. Figuring out how to reach those clear answers fascinates me and is what attracted me to commercial law. I love reading good commercial law opinions, especially those involving issues arising in the bankruptcy context. The court has to find the right answer. As a writer for the *U.C.C. Reporter-Digest*, I had to deconstruct an opinion to understand how the court reached its answer. I realized I already understood the structure of the court's reasoning. A well-written opinion is clear, soundly reasoned, and tightly constructed. Learning from these opinions and their practical implications has been extremely fulfilling. It has driven me to dedicate as much time as I can to my work for the *Digest* and my classes as I continue to grow my commercial law knowledge.

Sections of the Bankruptcy Code and the U.C.C. are rapidly replacing obscure historical facts in my brain. I want to continue to develop my understanding of bankruptcy through reading, researching, and writing as a clerk. I want to be a small part of finding the right answer.

Enclosed are my resume, transcript, and writing sample. Thank you in advance for considering my application.

Sincerely,

Andrew Ehrmann

The Honorable Joseph N. Callaway II
United States Bankruptcy Court, Eastern District of North Carolina
201 South Evans St., Rm 209
Greenville, NC 27858

Dear Judge Callaway:

I am a third-year student at the University of North Carolina School of Law, where I am a Comments Editor on the *North Carolina Law Review* and a recipient of the Eugene Gressman & Daniel H. Pollitt Oral Advocacy Award. Please accept this letter, along with my resume, writing sample, transcript, and letters of recommendation, as my application for a clerkship beginning on August 28, 2023.

I feel my legal research and writing abilities, combined with my unique background experiences, have prepared me to effectively support you as a clerk. I previously interned for the Honorable Donald L. Graham of the U.S. District Court for the Southern District of Florida, which provided me with valuable insights into the federal litigation process and the responsibilities of judicial clerks. Before law school, I graduated from Brandeis University. As Vice President of Brandeis' undergraduate student body, I honed my strategic planning and project management skills while leading a team of highly competitive individuals, building partnerships with administrators, mediating conflicts, and proposing solutions to the challenges facing our student community. During college, I also interned in the office of Rep. Ileana Ros-Lehtinen at the U.S. House of Representatives, where I skillfully and professionally communicated with constituents on behalf of the Congresswoman.

I am confident my diverse background experiences and collegial personality will enable me to contribute meaningfully to your chambers. As you search for your next clerk, I look forward to having the opportunity to discuss my qualifications with you. Thank you in advance for your consideration.

Respectfully,

Aaron Finkel

The Honorable Joseph Callaway, II
Randy D. Doub United States Bankruptcy Courthouse
150 Reade Circle, Room 257
Greenville, NC 27858

Dear Judge Callaway:

I am writing to apply for a clerkship position in your chambers for the 2024 – 2025 term. I plan to practice in North Carolina in the field of bankruptcy, so a judicial clerkship will be an excellent opportunity to refine my legal research and writing skills and observe how the Federal Bankruptcy Court operates. I am drawn to the bankruptcy field because it offers me the opportunity to assist others and businesses through their most difficult times. What drew me to law school was the ability to be in a career where I advocate for others and advise them so I can help take the burden off their shoulders and improve their lives. After talking with bankruptcy attorneys about this field I know I have finally found the right spot for that passion because no other field I have practiced in have fulfilled me and matched my passions like I believe this field will.

My background and abilities will allow me to make valuable contributions to your chambers. As an extern for Judge Joe L. Webster, I got firsthand experience of what it is like to be a judicial law clerk and found it to be rewarding and enjoyable work. I also saw an improvement in my legal acumen, which I already see a positive impact from in my current summer internship. I learned a great deal from Judge Webster about how to be an effective attorney and law clerk and how to make measured and just decisions. Additionally, as a legal intern for the Environmental Division in the North Carolina Department of Justice, I benefitted from working on challenging projects that required creativity, like defining playground equipment without case and statutory law on point. These experiences enhanced my attention to detail, honed my ability to self-evaluate work and take criticism, and confirmed my desire to be an advocate and pursue a judicial clerkship.

At UNC School of Law, I am honing my research and writing skills as the Symposium Editor of the North Carolina Journal of Law and Technology, where as a staff member, I have written two recent developments and a published blog post. I am also working to build a strong foundation of skills to be an effective advocate for others in the bankruptcy field through the Economic Justice Clinic that I will be starting in the fall, where I will be assisting low-income clients with consumer credit issues.

I am confident that my ability to adapt to new tasks, effectively manage multiple projects at once, and positively contribute to the work of a team will allow me to succeed as a judicial law clerk in your chambers. My resume, unofficial transcript, writing sample, and recommendations are attached for your review. Thank you for your time and consideration. I hope to hear from you soon.

Sincerely,
McKenna Fono

CARLI J. FREDERICK

1300 Fairmount Avenue, Unit 1111, Philadelphia, PA 19123
(610) 597-4228 Carli.Frederick@rutgers.edu

July 15, 2022

I am writing to inquire about the 2023 judicial clerkship position with the Honorable Joseph N. Callaway II. I believe that my grades, my collective experience on the Rutgers Business Law Review, my judicial internship with the Honorable Jerrold N. Poslusny, Jr. in the U.S. Bankruptcy Court for the District of New Jersey, and my internship with both Pernod Ricard and Virtua Health would make me a valuable asset to your Chambers. Further, I believe your Chambers is an ideal place to learn more about bankruptcy and grow as I begin my legal career, and I would bring my passion for bankruptcy law.

During my first year of law school, I did extensive research for my Legal Writing classes and gained important writing skills necessary to excel in the legal field. I was able to make the most of the online learning experience and make important connections with my professors and fellow students. In addition to the writing classes, I was a Staff Editor on the Rutgers Business Law Review this past year and wrote a student note on the effects of unconstitutional municipal ordinances on families and businesses in bankruptcy. This year, I became an Articles Editor, where I am able to read all submissions and choose the direction of the next publication.

As a judicial intern to Judge Poslusny, I conducted extensive legal research and prepared memorandum in regard to pending bankruptcy cases. Judge Poslusny provided generous feedback on every draft I presented to him, which allowed me to constantly learn, analyze complex issues, and improve my writing skills. Because of this internship, I have become especially interested in bankruptcy law and would love to work for Judge Callaway as this experience will continue to expand my knowledge and skills in that area of law.

Most recently, I worked in-house for Pernod Ricard USA as a Corporate and Transactions Intern. I am currently a Summer Associate at Virtua Health. Working for companies, I am able to gain a better understanding on general business law as well as working within a legal team. I have learned valuable skills, such as being able to understand the law in a deeper way in which I could explain to and assist members of our team and create a stronger business model.

As a student-athlete, I bring a team-orientated mentality. I believe my work ethic and values would be a good fit for your Chambers. I am also very driven and motivated to work hard and perform to the best of my ability with every task or project I am given.

If I can provide any additional information, please let me know. Thank you for your time and consideration.

Respectfully,

Carli J. Frederick

Application for 2024–25 Clerkship

Bankruptcy Judge Joseph N. Callaway II

United States Bankruptcy Court for the Eastern District of North Carolina

Dear Judge Joseph N. Callaway II:

I am writing to convey my interest in the 2024–25 clerkship position in your chambers. My prior legal experiences have helped me develop many valuable legal skills, and I would like to continue learning about the law through working in your chambers.

My prior experiences have taught me how to perform efficient legal research, how to write effectively, and how to analyze case law. I learned how to organize and manage research during my time at the BYU Community Legal Clinic. I learned how to communicate my legal arguments clearly during my time in moot court competitions. I learned how to analyze legal arguments to get a fair and factual decision during my time at the Utah Supreme Court. These experiences have helped me improve many of the legal skills needed to work in legal chambers.

I would like to continue learning about the law in your chambers. I have learned many legal skills during my time in law school, and I need to continue improving these skills. Learning more will enable me to advocate for others more effectively. I grew up in nearby Alabama and Florida, and I would love to return to Southern America to continue my legal education. I believe that your chambers will be a great place for me to continue learning.

I have attached my resume, writing sample, and progress report for your review. If you have questions regarding my qualifications or prior experiences, reach out to the email provided above. Thank you for taking time to review my application.

Much Gratitude,

Juliette Green

The Honorable Judge Joseph N. Callaway, II
United States Bankruptcy Court
Eastern District of North Carolina
150 Reade Circle
Greenville, North Carolina 27858

Dear Judge Callaway:

I am a third-year student at the University of Miami School of Law and wish to apply for a 2024-2025 clerkship in your chambers. Although I have been fortunate enough to visit friends who went to college in Chapel Hill and Winston-Salem, exploring the rest of North Carolina has been on my bucket list, so I would welcome an opportunity to work in the Greenville area.

While bankruptcy law may seem boring to some, to me, it is a unique and pervasive field that never has a dull moment. My first-year contracts professor, a former clerk, wove in interesting stories about bankruptcy. I was fortunate enough to obtain an internship in Judge Robert Mark's chambers my first summer, and I haven't looked back since. I have interned for Chief Judge Laurel Isicoff, received the CALI award in international bankruptcy, and am now a Bankruptcy Bar Association of South Florida inaugural Summer Scholar for this summer 2023.

I specifically want to clerk in your chambers because I want to learn more from a judge that is so passionate about bankruptcy. Not only do I have substantive bankruptcy experience, but I have also had non-bankruptcy experiences that would aid me as a clerk. During my jobs as a law clerk and now as a summer associate, I have drafted litigation pleadings and memoranda, which sharpened my writing and research skills. As a Dean's Fellow for Civil Procedure, I learned how to break down the rules so that the first-year students could understand. This year, as an Executive Editor for a law journal, I will further improve my writing and research skills.

My resume, writing sample, and unofficial transcripts are enclosed. Recommendations will be forthcoming from Professor Patricia Redmond and Professor Andrew Dawson. I would welcome the opportunity to interview with you, and look forward to hearing from you.

Sincerely,

Victoria Guevara

The Honorable Joseph Callaway, II
Randy D. Doub United States Bankruptcy Courthouse
150 Reade Circle, Room 257
Greenville, NC 27858

Dear Judge Callaway:

I am a rising third-year law student at The University of Alabama School of Law, where I serve as the Lead Articles Editor for the *Law and Psychology Review* and a member of the Campbell Moot Court Board and Duberstein Bankruptcy Moot Court Team. I am writing to apply for a 2024-2025 term clerkship in your chambers.

I was introduced to bankruptcy law by Judge Jennifer Henderson, Chief Judge for the Northern District of Alabama Bankruptcy Court in fall of 2022 through her bankruptcy law course. Judge Henderson's passion for bankruptcy was evident and contagious in each class. The practical implications and core principles of bankruptcy—for both individuals and businesses—quickly made it my favorite area of law. I was selected to my first-choice moot court team at the close of the 2L Alabama Law Moot Court Competition. This allows me to further my passion for bankruptcy law by competing on The University of Alabama Duberstein Moot Court Team in Miami and New York City in spring of 2024.

I also developed a passion for writing through law school and summer positions at litigation-focused firms. This passion led to me scoring more than ten points above median on my individual moot court brief in the 2L moot court competition. Additionally, I will serve as a judicial extern in the chambers of the Honorable L. Scott Coogler, Chief Judge of the United States District Court for the Northern District of Alabama this fall. I believe that my passion for bankruptcy and writing continues to prepare me to contribute meaningfully to your chambers.

My resume, undergraduate and law school transcripts, and writing sample are provided in my application, along with letters of recommendation from Professors Benjamin McMichael and Cameron Fogle and Mr. Jarrod Bazemore. Thank you for your consideration.

Respectfully,

Parker Jennings

The Honorable Joseph Callaway, II
Randy D. Doub United States Bankruptcy Courthouse
150 Reade Circle, Room 257
Greenville, NC 27858

Dear Judge Callaway:

I am a student at the University of Alabama School of Law. I am writing to express my interest in your chambers for the 2024-2025 term. I am an Articles Editor on the Journal of the Legal Profession and interned for Chief Judge L. Scott Coogler over the previous summer.

My summer jobs have provided me with experience in legal writing in a variety of practice areas, including transactional law and litigation, and strengthened my research skills. As a research assistant, I have become well versed in using Westlaw and Lexis to identify relevant laws and articles to resolve issues and stay up to date on emerging legal developments. In my in-house counsel position at Randall-Reilly, I gained experience in legal writing by drafting contracts for employees, vendors, and customers. As a summer clerk at Fidelity National Title Insurance, I have strengthened my research abilities by completing research projects covering different states and a variety of legal issues. My research and writing abilities help me multitask and stay on top of heavy workloads, and will make me an effective Articles Editor on the Journal of the Legal Profession this fall. In my law clerk internship with Judge Coogler, I practiced applying case law to real cases and legal writing to resolve issues. This experience solidified my interest in clerking after graduating from law school. These abilities will enable me to meaningfully contribute to your chambers.

I have attached my resume and most recent transcript. Letters of recommendation from Professor Gold, Professor Grove, and Professor Krotoszynski are enclosed as well. I have also included a copy of my seminar paper, for which I conducted empirical research. Thank you for your consideration.

Sincerely,

Victoria Jones

The Honorable Joseph N. Callaway II
The United States Bankruptcy Court, Eastern District of North Carolina
Randy D. Doub Courthouse
150 Reade Circle
Greenville, NC 27858

Dear Judge Callaway II:

I am a rising third-year law student at Washington and Lee University School of Law, and I write to apply for a term law clerkship position in your chambers, Judge Callaway II, during the 2024 – 2025 term. Given my collegiate connection, I hope to return to North Carolina to practice and serve through civil rights litigation. I am certain this clerkship will give me an invaluable opportunity to gain insight into chambers and the legal process. I look forward to providing my strong writing, research, and analytical skills to your chambers.

Through my professional and academic pursuits before and during law school, I have developed a solid foundation of practical skills that will allow me to immediately further the judicial efficacy of the court. I served the Shenandoah Valley this past summer at Blue Ridge Legal Services where I worked on a number of civil matters. I researched issues related to property, predatory lending practices, and consumer protection laws. After conducting the research, I drafted several reports on my findings which included memos discussing Virginia's case law on cremated remains as property and federal regulations related to predatory lending practices by creditors. In addition to research and writing, I closely reviewed and edited client and opposing party correspondences. Lastly, I organized and maintained over forty case files. I am certain my research and writing skills that I've honed at Blue Ridge Legal Services will serve your chambers well. This summer, I am continuing to build upon these techniques at Jones Day. Furthermore, my Summer Associate position has expanded my exposure to different areas of law – including securities litigation, class action lawsuits, and general tort litigation.

Lastly, my experience at the U.S. District Court for the Middle District of North Carolina provides a solid foundation for the work expected of a term law clerk. In Judge Webster's chambers, I developed practical research and writing skills in addition to knowledge of federal civil and criminal procedure. In particular, I did in-depth research on complex issues involving collective action under the Federal Labor Standards Act that included the application of procedural rules and Department of Labor published guidelines. I also drafted criminal pre-trial detention orders by synthesizing the Judge's language, tone, and comments during the hearing. I look forward to applying these analytical skills to your chambers.

I welcome a discussion about my qualifications, and I thoroughly appreciate your consideration.

Sincerely,

Colleen Karlovich

The Honorable Joseph Callaway, II
Randy D. Doub United States Bankruptcy Courthouse
150 Reade Circle, Room 257
Greenville, NC 27858

Dear Judge Callaway:

I am writing to apply for a clerkship in your chambers beginning in 2024, or during a later term. I am a rising third-year student at Wake Forest University Law School, where I actively contribute to the Wake Forest Law Review and Moot Court team. I have attached a resume, law school grade sheet, and a writing sample.

What sets me apart as an applicant is my unique perspective as a first-generation college student. Growing up in an environment where higher education was not a common path, I have cultivated a strong work ethic, resilience, and resourcefulness that have been instrumental in my academic achievements. This background allows me to approach legal issues with a fresh and empathetic perspective, making me well-suited for the challenges of a clerkship.

I am particularly drawn to the clerkship opportunity within your chambers due to my involvement in bankruptcy litigation in my current summer associate position. This experience has instilled in me a strong desire to gain practical experience and develop a comprehensive understanding of the intricacies of bankruptcy law. Moreover, I will expand my knowledge by enrolling in my school's bankruptcy course this upcoming semester.

Being a native of North Carolina, I possess a deep connection and strong commitment to the local community. It is my earnest aspiration to contribute to the legal landscape of our state by practicing law in North Carolina. A clerkship in your chambers would provide me with an invaluable opportunity to gain firsthand experience and make a positive impact on our state's legal system. Clerking in your chambers at the United States Bankruptcy Court for the Eastern District of North Carolina would be my first choice for a job after I graduate.

Professors Scott Schang and Margaret Taylor as well as attorney Elise Boike have submitted separate letters of recommendation on my behalf. If there is any other information that might be helpful, please let me know. I would welcome the opportunity to interview with you. Thank you for your consideration.

Sincerely,

Grace Kinley

Rebekah Mabe

Judge Callaway,

My name is Rebekah Mabe and I am a third-year student at Mercer University School of Law. I am writing because I am interested in the opportunity to serve as a Judicial Clerk for the coming 2023 year. I first became interested in an opportunity to work as a Judicial Clerk because of my summer clerking experience in the Atlanta Fulton County Superior Court System. I was exposed to a wide variety of conflicts and disputes. I experienced the breadth and depth of the Court System and how impactful the law is on the everyday person. One of my passions is to help people, and I believe the best way for me to help people is through the law. My decision to go to law school was motivated by my passion to serve the community around me. On an everyday basis, I want to see and experience how I can provide some sort of insight or help to those who share the community I live in. Working for the United States Bankruptcy Court would allow me to combine my career motivations with my own personal passions. Having the opportunity to do meaningful research and writing which will go on to help cure disputes, that so many people experience, in the most fair and equitable way possible is something I am motivated and passionate to do.

In specific, my interest in the United States Bankruptcy Court stems from the legal tasks and research that is required for the role as well as the general location of chambers. I have family in the area and have grown up visiting Greenville my whole life. Having the opportunity to work with Bankruptcy law in such a wonderful area that is so close to my family is a goal I aspire to achieve. Additionally, the United States Bankruptcy Court hears a variety of issues that require a high level of comprehension, understanding, and refined legal research and writing skills. I've found that Bankruptcy Court is very unique. Bankruptcy Court enables people to have a second chance by allowing those who come before the Court to make a plan and move forward. For me, the opportunity to work closely on these matters before the Court would be a dream come true. I strive to exercise my legal research and writing skills at the highest level to help cure disputes in the most efficient and impartial way possible. Most importantly, my interest in working for you is your excellence and understanding of legal knowledge and your ability to impart those legal skills with me. I had the opportunity to read several of your rulings and orders. Time and time again, your rulings always reflect a deep understanding of the issues at hand with a well-founded and established legal ruling.

Since my time as an undergraduate at The University of Georgia, I have committed myself to gain tangible experience and understanding on a diverse range of legal practices. At Mercer Law, I have strived to improve as a legal researcher and writer as a member of Mercer Law's Legal Writing Certificate Program. Outside of the classroom, I, also, had the opportunity to see first-hand how Family Law and Real Estate Law operate. Specifically, I learned how to properly research and prepare relevant material when working for Classic City Legal. I, also, was fortunate enough to have gained tangible experience by directly working with numerous clients, mediators, and attorneys at The Mediation Center of Savannah. During my time at The Mediation Center of Savannah, I facilitated mediations by writing mediation agreements, notarizing the agreements, and ensuring that all essential documents were distributed and recorded with all parties. In my time clerking for the Superior Court of Fulton County under Judge Richardson, I worked on an array of projects including legal research and drafting legal memorandum, while also attending various Court proceedings. Throughout my time Clerking with the Fulton County Superior Court, I gained tangible experience writing and researching on an array of legal issues and topics relating to Criminal, Civil, and Business matters. Most recently, I have had the opportunity to clerk for the Georgia Court of Appeals under Judge Gobeil. During this time, I have gained and refined my existing legal research and writing skills. Additionally, I learned how to focus in on the true issues at hand while maintaining impartiality and emphasizing the rule of law. My time at the Georgia Court of Appeals has taught me the importance of working cohesively with the Judge, Staff Attorneys, and Clerks to formulate an easily understandable ruling that is grounded in sound legal reasoning.

Ultimately, my greatest asset I can offer is not just my experience with legal work and client relations, but rather, it is my passion for serving others and ability to adapt to new challenges and tasks with ease. While in Law School, I have made it a point to remain true to my roots as I strive to embody public-spiritedness, respect, and empathy in creating meaningful relationships and a productive work environment, and I approach each day in the office with the same values. I can guarantee that when I join any office I'm placed into, I will undoubtedly bring a positive attitude, a sense of natural leadership, and I ensure I will strive to communicate effectively at all times.

I have attached a resume highlighting my education and work experience. I truly hope to have the opportunity to interview with you for this position as I know I would serve as a valuable addition to the United States Bankruptcy Court. Thank you in advance for your time and consideration.

Very Best,
Rebekah Mabe

The Honorable Joseph Callaway, II
Randy D. Doub United States Bankruptcy Courthouse
150 Reade Circle, Room 257
Greenville, NC 27858

Dear Judge Callaway:

Thank you for giving me the opportunity to submit these materials in application for the judicial clerkship for which you are currently recruiting. I believe I would be the ideal candidate for this position.

I have had a diverse career in commercial litigation and arbitration over the past six years, much of it with considerable international elements. I have excelled in oral and written advocacy, and have been entrepreneurial in identifying law firms in considerable need of assistance, enabling me to take up different positions around the world while building a profile in international arbitration.

I recently completed the courses necessary to become a Fellow of the Chartered Institute of Arbitrators in London, which I was named this past September. These courses are designed to enable a fellow to sit as an arbitrator in a commercial dispute. In particular, Module 3, "Award Writing", is designed to teach the candidate how to draft an arbitral award, and I performed admirably in this course, drafting a strong award capable of surviving judicial scrutiny.

Over the course of completing this course, I realized that my main goal in my legal career is to sit as a judge or as an arbitrator, and it is to that end that I am submitting this application for a judicial clerkship in your chambers. I believe I am a strong advocate for clients, but I believe my real talents lie in the equanimous application of the law.

I have taken the liberty of including the arbitral award I drafted last summer. This award far exceeds any page limit, but I think that it, more than anything I have ever written, demonstrates my ability to draft a reasoned judgment of the sort that I would be expected to draft in your chambers. In other words, as your clerk, I would be able to hit the ground running.

Best regards,

Ross W. Martin

Understanding this document

This Diploma Supplement was developed by the European Commission, Council of Europe and UNESCO/CEPES. The purpose of the supplement is to provide sufficient data to improve the international transparency and fair academic and professional recognition of qualifications (diplomas, degrees, certificates etc.). It is designed to provide a description of the nature, level, context, content and status of the studies that were pursued and successfully completed by the individual named on the original qualification to which this supplement is appended. It is free from any value judgements, equivalence statements or suggestions about recognition.

The information given overleaf is provided by the University*, under the terms of the Data Protection Act 1998, from its student administration system as the academic and identifying personal information recorded for the student named. It is issued with an explanatory document, 'The University of Southampton Explanatory Notes on the Diploma Supplement"', and, when read together, it constitutes a full Diploma Supplement.

The Diploma Supplement is divided into the following eight sections: section one, information identifying the holder of the qualification; section two, information identifying the qualification; section three, information on the level of the qualification; section four, information on the content of the qualification and the results gained; section five, information on the function of the qualification; section six, additional information; section seven, certification of the Diploma Supplement and section eight, a summary and description of the UK Higher Education and Training System. Sections on this document are numbered appropriately to correspond with this convention. Sections six and eight, and aspects of sections three, four and five, are continued in the explanatory document.

The University issues its full Diploma Supplement solely to students who completed the requirements for the award of one of its degrees or other qualifications in or after the academic year 2008-09***. The transcript information alone is provided to students who completed studies before 2008 or who have undertaken studies which did not lead to the award of a degree or other qualification by the University.

A transcript is an authoritative and official record of a learner's programme of study to date, the grades they have achieved and the credit they have gained. Neither the Diploma Supplement nor the transcript is proof of an Award from the University.

The University's programmes of study leading to the award of a named degree or other qualification comprise the study of modules. A module is a self-contained unit of teaching, learning and assessment. Each module has a credit weighting based upon the proportion of time that students are expected to devote to the module. The University uses a credit point system compatible with the QAA Higher Education Credit Framework for England: Guidance on Academic Credit Arrangements in Higher Education in England, August 2008. The European Credit Transfer Scheme (ECTS) has been developed by the European Commission. This is a system based on ECTS credits (student workload), designed to facilitate mobility, credit accumulation and transfer and the international recognition of periods of study completed abroad. Occasionally students may accumulate credits at other institutions. This University will represent the marks achieved for those credits on this document. The modules taken outside of the University can be clearly identified by the last 3 digits of the module (e.g. BIOL1999). The language competency levels used by the University are informed by the Council of Europe's Common Framework of Reference. Modules are assigned levels, represented on this document with the following values and meanings:

0/NQF3 Level 3 (Foundation level)	6/NQF7 Level 7 (Master)
1/NQF4 Level 4 (Certificate of Higher Education level)	7/NQF7 Level 7 (Master of Philosophy)
2/NQF5 Level 5 (Diploma of Higher Education level)	8/NQF8 Level 8 (Doctorate)
3/NQF6 Level 6 (Bachelor including Advanced Diploma in Nursing)	L1-L7 Language competency levels 1-7

The modules and credits studied in each programme year are set out in the individual programme specification as published.

All the module outcomes obtained by a student are represented on this document. The module outcome is represented by a mark. Numerical marks are shown in the University's 0-100 scale. Non numerical marks are shown on a scale of A, B, C, D, E, F. The letter P denotes a Pass and the letter F denotes a Fail, where the module is being marked on a pass/fail basis. Where P is used as postscript to a numerical mark it denotes that the module has been passed, even though the mark appears to be below the module pass mark. Where F is used as postscript to a numerical mark it denotes that the module has been failed, even though the mark appears to be above the module pass mark. The notation 'AU' indicates that the module was audited: this means that the student attended the teaching, but assessment was not taken for any credit. The notation 'AUAB' indicates authorised absence from the assessment of the module. Each mark printed on this document is accompanied by relevant mark code. The code denotes as follows:

OE – Original Entry;	recording the student's original achievement in the first attempt at the module assessment
RE – Referral;	recording the student's achievement in the referral sitting of a module when the original achievement was not a pass
CR – Capped mark;	recording the level at which the student's mark was capped following referral, according to the regulations used for progression and in the classification of Award
OM – Original Mark;	recording the student's achievement when taking a referral as if for the first time according to the regulations used in progression and in the classification of Award
